

2024 AUA Annual Meeting Research Symposium Poster Session Announcement: Friday, May 3 – Sunday, May 5, 2024 Henry B. González Convention Center – San Antonio, TX

The AUA Office of Research is accepting applications for the Office of Research Symposia during the AUA 2024 Annual Meeting, May 3rd-6th, in San Antonio, Texas. The following Symposia are accepting abstract applications to present posters during each program. Please refer to the Symposia online agendas listed below for topics and more information.

Symposium	Link to Online Agenda
Urologic Oncology Research Symposium	https://aua2021.app.swapcard.com/event/2024-annual-meeting-san-antonio/planning/UGxhbm5pbmdfMTczMDYxNA==
Independent Practice Research Symposium	https://aua2021.app.swapcard.com/event/2024-annual-meeting-san-antonio/planning/UGxhbm5pbmdfMTczMDU4Ng==
Basic Science Research Symposium	https://aua2021.app.swapcard.com/event/2024-annual-meeting-san-antonio/planning/UGxhbm5pbmdfMTczMDU1Nw==

To be considered for this Poster Session, the applicant must...

- Be conducting research in alignment with the Symposium.
- Be within eight years of completing terminal degree (must have completed in 2016 or later). Residents, including chief residents, are eligible.

Application Process

The applicant must email the following as a single PDF to Gen Hood, ghood@auanet.org and research@auanet.org by **Friday, March 8th, 2024**.

Required:

1. Applicant information (fillable PDF below)
 - a. Must include: name, credentials, institution, professional title, AUA ID number (if applicable), email address, mobile phone number, mailing address, date terminal degree completed, and demographic information
2. Abstract (one page maximum) of the project along with the title of the research project in alignment with the Symposium.
 - a. Abstracts can include pictures, graphs, or charts (3 images maximum)
 - b. Source citations are not required.
3. An NIH-style biosketch of the applicant (five-page maximum), in accordance with current NIH biosketch guidelines located at <http://grants.nih.gov/grants/forms/biosketch.htm>
4. A personal statement (one paragraph maximum) from the applicant that:
 - a. affirms their desire and commitment to participate and present their research project during the Symposium Poster Session, and
 - b. confirms their research is in alignment with the Symposium.

Optional:

5. A letter (1 page maximum) from the applicant's primary mentor that emphasizes the alignment with the Symposium topic.

Poster Presenter Review and Selection

Selection of abstract presenters is based on the review of all submitted information and is conducted by a committee of external experts in urologic research appointed by the AUA Office of Research. Final determination is at the sole discretion of the AUA Office of Research.

Poster Presenter Notification

Applicants selected to present their posters during the Poster Session portion of the selected Symposium will be notified **no later than Monday, April 1st, 2024.**

Timeline

- **Friday, March 8th, 2024:** Applications due via email as a single PDF to Gen Hood, ghood@auanet.org and research@auanet.org
- **Monday, April 1st, 2024:** Selected poster presenters will be notified and invited
- **Friday, May 3rd - Sunday, May 5th, 2024:** AUA Annual Meeting Research Symposia Poster Sessions in San Antonio, Texas

Please note: This is not a travel award. The AUA does NOT provide any travel funding for this program.
The selected poster presenters must cover their own costs for travel and meeting registration fees.

Questions

Please direct questions regarding the programs to Diana Tsuji, Research Education Manager, at Dtsuji@auanet.org and Genevieve Hood, Research Education Coordinator, at Ghood@auanet.org.
